SUMMARY

Full-Stack Developer with a strong foundation in the MERN stack (MongoDB, Express.js, React, Node.js) and a passion for building scalable web applications. Proficient in developing responsive user interfaces, RESTful APIs, and secure authentication systems. Continuously learning and exploring emerging technologies to improve performance and efficiency. Excited to collaborate in agile environments and contribute innovative solutions to real-world challenges.

PROJECT EXPERIENCE

Hotel Management System (MERN Stack)

Jun 2024 - Jul 2024

- Technologies: MongoDB, Express.js, React, Node.js, Tailwind CSS, Cloudinary
- Designed a full-stack rental platform with dynamic property listings, user authentication, and booking functionality.
- Developed and deployed secure RESTful APIs for managing properties, reservations, and user profiles.
- Ensured cross-device compatibility through responsive design.

Social Media Website (MERN Stack)

Aug 2024 - Sep 2024

- Technologies: MongoDB, Express.js, React, Node.js, Tailwind CSS, Redux
- Created a social networking platform supporting user authentication, profile management, posts, and real-time interactions.
- Leveraged React and Redux to streamline state management and improve performance.
- Automated deployment using CI/CD pipelines to enable seamless updates.

E-commerce Website (MERN Stack)

Oct 2024 - Dec 2024

- Technologies: MongoDB, Express.js, React, Node.js, Tailwind CSS, Material UI
- Built a feature-rich e-commerce application with product listings, shopping carts, and secure payment gateway integration.
- Enhanced user experience with a modern, responsive UI using Material-UI and Tailwind CSS.
- Streamlined backend operations by implementing efficient database and API architectures.

EDUCATION

Aug 2020 - June 2024

B.Tech in Electronics & Communication Engineering

Chandigarh Group Of Colleges

ADDITIONAL INFORMATION

- Technical Skills:** HTML, CSS, JavaScript, React, Redux, Tailwind CSS, Material UI, Bootstrap, Node.js, Express.js, REST APIs, JWT, Authentication, MongoDB, SQL, CI/CD, Next.js, JSON, jQuery
- Languages:** English, Hindi
- Certifications:** Web Development Course Udemy (Jun 2024 - Dec 2024)
- Skills:** Strong analytical and debugging skills
Excellent teamwork and communication abilities
